

I'll Get Through It Every Time

Some say they've seen the other side
and there's nothing to compare,
to the peace and joy and happiness,
that's waiting for us there.

When the burdens of this world,
weigh heavy on my mind,
I look up to the heavens and
I get through it every time.

I'll get through it every time,
there's no mountain I can't climb.
When it's meant to be, eventually
everything will work out fine.

Whatever problems may arise,
will be a blessing in disguise,
I trust that God will help me
to get through it every time.

Should life becomes unpleasant
and peace be hard to find.
I'll count my many blessings
and I'll get through it every time.

I am a cherished child of God
and He is always on my mind.
I trust that He will help me,
to get through it every time.

I'll get through it every time,
there's no mountain I can't climb.
When it's meant to be, eventually
everything will work out fine.

Whatever problems may arise,
will be a blessing in disguise,
I trust that God will help me
to get through it every time.
