

God's Will

God's will for us is only good,
perfect body, mind and soul.
To partake of His perfection,
we must disavow the world.

God does not cause suffering
and it's important that we see,
our problems are created
by our erroneous beliefs.

If we know God's will protects us,
we'll be untroubled and serene.
We must trust His will is only good
and His power reigns supreme.

When we absorb the blissful current
of our inner Light, when it appears,
we will realize God empowers us,
as we grow progressively aware.

When we pray, "Thy will be done"
and we surrender, as we should,
we must trust in God's protection
and believe His will is only good.

If we know God's will protects us,
we'll be untroubled and serene.
We must trust His will is only good
and His power reigns supreme.
