

I'll Make Your Life A Little Easier

I'll make your life a little easier,
I'll be considerate and kind.
I will lift life's burdens from you,
I will give you peace of mind.

I will make your life a little easier,
and if you do the same for me.
We'll be helping one another,
it's the way that life should be.

The things we say and do,
and the kindness that we show.
Make life a little easier,
as you and I both know.

Is there a way that I can help you,
Is there something I can do.
To make your life a little easier,
Is what I'd like to do for you.

I'll make your life a little easier,
and I do believe it's true.
If I should ever need you,
you will want to help me too.

The things we say and do,
and the kindness that we show.
Make life a little easier,
as you and I both know.

I'll make your life a little easier,
I'll be considerate and kind.
I will lift life's burdens from you,
I will give you peace of mind.
